

NEIGHBORHOOD WATCH

Neighborhood Watch is a crime prevention program which enlists the active participation of residents in cooperation with law enforcement to reduce crime in their communities. It involves neighbors getting to know each other and working together in a program of mutual assistance. Residents become trained to recognize and report suspicious activities, and can then implement crime prevention techniques such as residential and vehicle security, and personal safety into their neighborhoods.

- Neighborhood Watch does not require frequent or elaborate meetings
- It does not ask that anyone take any personal risks to prevent crime
- Law enforcement personnel will attend your meetings to answer questions about crime in your community and provide valuable information on how the Sheriff's Department works.

Neighborhood Watch meetings can cover such topics as Home Security, Personal Safety, Identity Theft and any other topics that your neighborhood may be interested in.
